

Would you love a career in a dynamic and friendly organisation that makes our community a better place to live?

Together Co is Brighton and Hove's leading loneliness charity, working to create connections that change lives for the better across the city.

We run Social Prescribing and Befriending services that support more than 2000 people a year and have 500+ volunteers working alongside our staff team.

In a city of 300,000 people no one should be lonely or socially isolated. Together, we can make sure no one is.

We are looking for a part time Head of Fundraising to take our corporate and digital fundraising work to the next level.

We are looking for someone with a proven track-record of successfully leading fundraising initiatives, who has a digital mindset and loves working with Brighton's fabulous business community.
